CS191 Semester Quiz # 02

Quiz Start Time: 12:35 PM, 22 February 2021

Question # 1 of 10 ( Start time: 02:25:11 PM, 22 February 2021 )

Total Marks: 1

Which one of the following is the traditional approach of programming process?

Select the correct option

- |                       |                          |
|-----------------------|--------------------------|
| <input type="radio"/> | Functional paradigm      |
| <input type="radio"/> | Object oriented paradigm |
| <input type="radio"/> | Imperative Paradigm      |
| <input type="radio"/> | Declarative paradigm     |
- Correct**

Correct Answer: Imperative Paradigm

We can encrypt:

Select the correct option

- Servers
- Emails
- Social sites
- All of these

Correct

Correct Answer: All of these

Matching geometric characteristics technique of recognizing images is used in:

Select the correct option

- Optical character recognition
- Taking pictures
- Sorting pictures
- Mark recognition

Correct

Correct Answer: Optical character recognition

How many common forms of data mining?

Select the correct option

- Five
- Four
- Three
- Two **Correct**

Correct Answer / Wrong Answer?

USA has passed legislation allowing the government to actively monitor citizens in the name of:

Select the correct option

- |                       |                   |
|-----------------------|-------------------|
| <input type="radio"/> | National ethics   |
| <input type="radio"/> | National security |
| <input type="radio"/> | Data security     |
| <input type="radio"/> | Data ethics       |
- Correct

Correct Answer: National security

A rapidly expanding subject that is closely associated with database technology is \_\_\_\_\_, which consists of techniques for discovering patterns in collections of data.

Select the correct option

- |                       |                    |                |
|-----------------------|--------------------|----------------|
| <input type="radio"/> | data mining        | <b>Correct</b> |
| <input type="radio"/> | text mining        |                |
| <input type="radio"/> | opening mining     |                |
| <input type="radio"/> | Sentiment analysis |                |

Correct Answer: data mining

Process of understanding what the characteristics of images mean is step:

Select the correct option

- One
- Two **Correct**
- Three
- Four

Correct Answer: 2

The end of a list is called the \_\_\_\_\_.

Select the correct option

- bob
- devon
- head
- tail

Correct

Correct Answer: tail

Ethical issues are related to:

Select the correct option

- AI principles
- Moral principles **Correct**
- Linguistics principles
- Behaviour principles

Correct Answer: Moral principles

A rapidly expanding subject that is closely associated with database technology is \_\_\_\_\_, which consists of techniques for discovering patterns in collections of data.

Select the correct option

- data mining
- text mining
- opening mining
- Sentiment analysis

Correct
