

Question # 1 of 10 (Start time: 08:05:20 PM, 06 December 2023)

How many nested IF clauses can be included within an IF clause?

Select the correct option

- | | |
|----------------------------------|------------|
| <input type="radio"/> | 1 |
| <input checked="" type="radio"/> | Any Number |
| <input type="radio"/> | 2 |
| <input type="radio"/> | 3 |

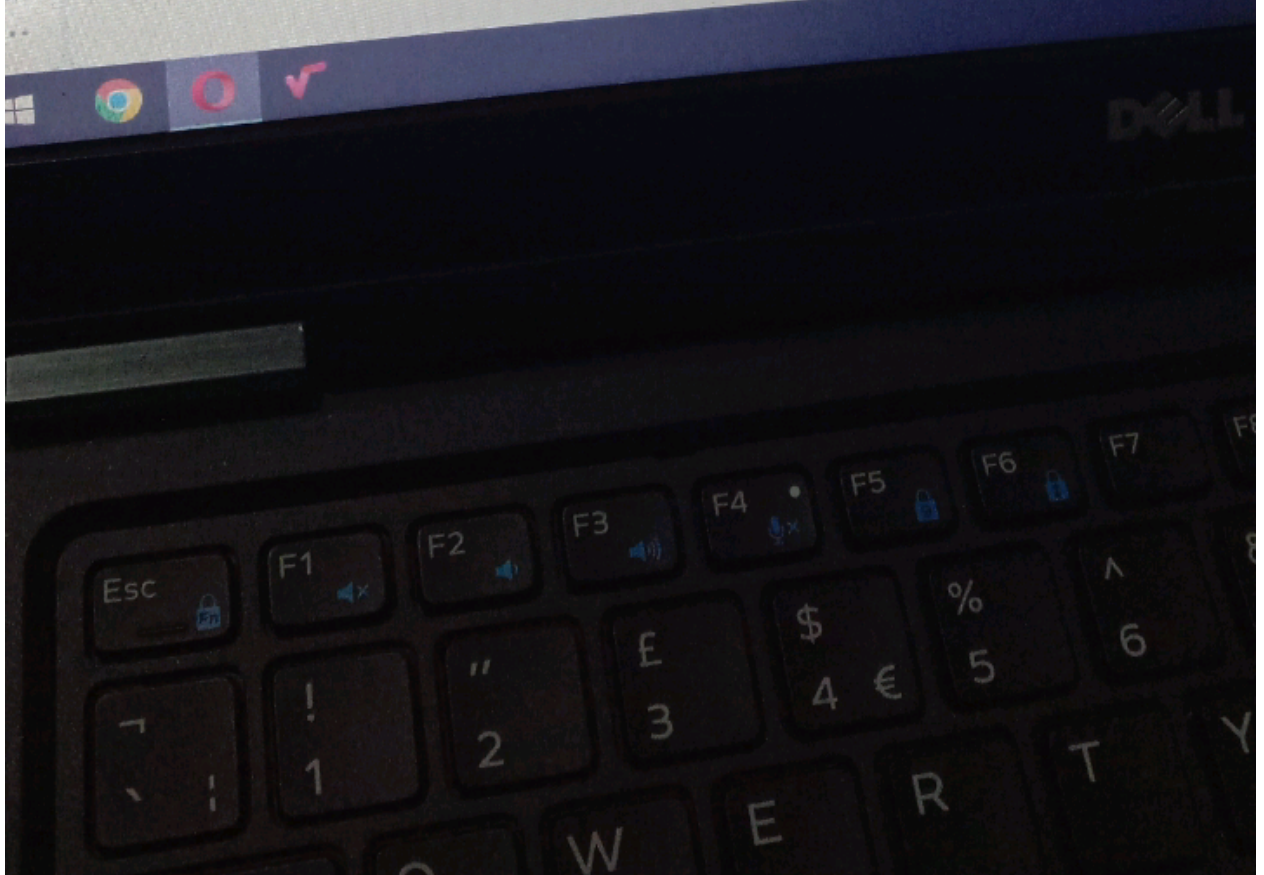

CS405 - Database Programming using Oracle 11g (Quiz # 2)

Question # 2 of 10 (**Start time: 06:06:23 PM, 06 December 2023**)

Sequence of statements is enclosed between the LOOP and the END LOOP statements.

Select the correct option

- | | |
|----------------------------------|----------------------|
| <input type="radio"/> | Can be true or false |
| <input type="radio"/> | FALSE |
| <input type="radio"/> | Cannot say |
| <input checked="" type="radio"/> | TRUE |

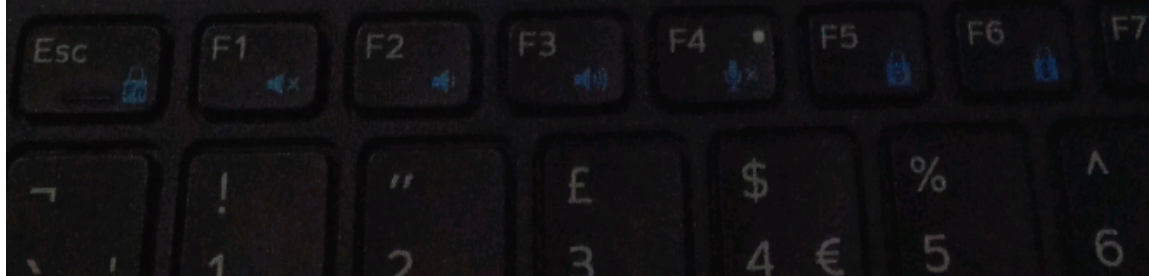

CS405 - Database Programming using Oracle 11g (Quiz # 2)**Question # 3 of 10 (Start time: 06:07:10 PM, 06 December 2023)**

Which of the following statements is true?

Select the correct option

- | | |
|----------------------------------|---|
| <input type="radio"/> | The WHEN clause of a CASE statement ends with "END CASE;". |
| <input type="radio"/> | The WHEN clause of a CASE statement ends with "ENDCASE". |
| <input checked="" type="radio"/> | The WHEN clause of a CASE statement ends with a semicolon. |
| <input type="radio"/> | The WHEN clause of a CASE expression does not end with a semicolon. |

Question # 4 of 10 (Start time: 06:08:24 PM, 06 December 2023)

A _____ statement allows us to execute a statement or group of statements multiple times.

Select the correct option

- array
- loop
- condition
- procedure

Question # 9 of 10 (Start time: 06:12:39 PM, 06 December 2023)

With _____ you can roll the transaction back to a certain point without rolling back the entire transaction.

Select the correct option

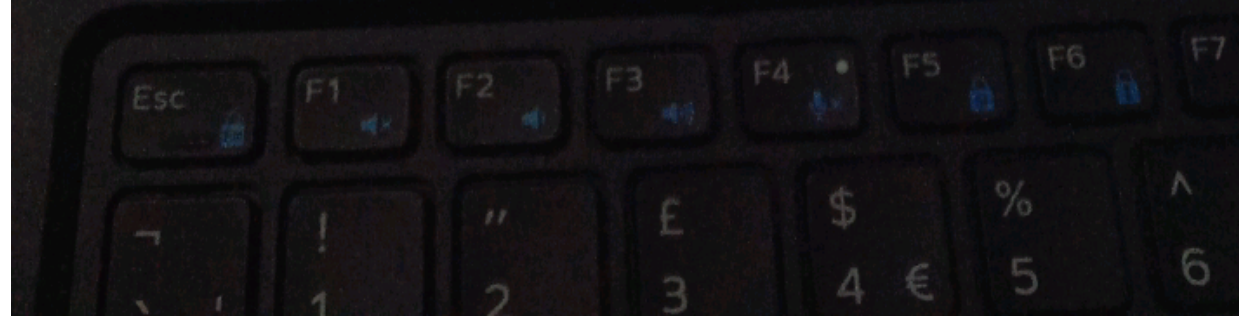

- Simple Loop
- Rollback
- Savepoint
- Commit

Question # 10 of 10 (Start time: 06:13:30 PM, 06 December 2023)

Which of the following is equivalent to multiple IF-ELSIF statements?

Select the correct option

- FOR statement
- WHILE statement
- CASE statement
- LOOP statement

Question # 4 of 10 (Start time: 08:32:19 PM, 06 December 2023)

```
FOR i IN 1..tbl_roast.COUNT LOOP  
lv_tot_num := lv_tot_num + tbl_roast(i);  
END LOOP;
```

In the above code fragment, which of the following holds the value of the current iteration number?

Select the correct option

- COUNT
- lv_tot_num
- tbl_roast
- i

Question # 5 of 10 (Start time: 08:33:20 PM, 06 December 2023)

If within an if statement is called_____.

Select the correct option

- | | |
|----------------------------------|---------------------|
| <input type="radio"/> | Elsif statement |
| <input type="radio"/> | If else statement |
| <input checked="" type="radio"/> | Nested if statement |
| <input type="radio"/> | Case statement |

Question # 6 of 10 (Start time: 08:34:13 PM, 06 December 2023)

Consider the following action:

Transaction.....

Commit;

Rollback;

What does Rollback do?

Select the correct option

<input type="radio"/>	Clears all transactions
<input type="radio"/>	No action
<input type="radio"/>	Redoes the transactions before commit
<input checked="" type="radio"/>	Undoes the transactions before commit

Question # 7 of 10 (Start time: 08:35:15 PM, 06 December 2023)

CASE SQL statement is which of the following?

Select the correct option

- | | |
|----------------------------------|--|
| <input checked="" type="radio"/> | A way to establish an IF-THEN-ELSE in SQL. |
| <input type="radio"/> | A way to establish a data definition in SQL. |
| <input type="radio"/> | A way to establish a loop in SQL. |
| <input type="radio"/> | A way to establish a loop in SQL. |

Question # 8 of 10 (Start time: 08:36:22 PM, 06 December 2023)

Total Marks: 1

Every DML (insert, update, delete) can be undone if not committed. _____ before commit will undo all the changes till last commit or start of block.

Select the correct option

- Commit
- Insert
- Savepoint
- Rollback
