Select the correct option

- Garbage Can
- Bureaucratic
- Political
- Bounded rationality

03421718143

Please read the following instructions carefully!

1. Quiz will be based upon Multiple Choice Questions (MCQs).
2. You have to attempt the quiz online. You can start attempting the quiz any time within given date(s) of a particular subject by clicking the link for Quiz in VULMS.
3. Each question has a fixed time of 90 seconds. So you have to save your answer before 90 seconds. But due to unstable internet speeds, it is recommended that you should save your answer within 60 seconds. While attempting a question, keep an eye on the remaining time.
4. Attempting quiz is unidirectional. Once you move forward to the next question, you can not go back to the previous one. Therefore before moving to the next question, make sure that you have selected the best option.
5. **DO NOT** press **Back Button** / **Backspace Button** while attempting a question, otherwise you will lose that question.
6. **DO NOT** refresh the page unnecessarily, **specially** when following messages appear
Saving...
Question Timeout: Now loading next question...
7. **Javascript MUST be enabled** in your browser; otherwise you will not be able to attempt the quiz.
8. If for any reason, you lose access to internet (like power failure or disconnection of internet), you will be able to attempt the quiz again from the question next to the last shown question. But remember that you have to complete the quiz before expiry of the deadline.

Prototypes are used in _____

Select the correct option

<input type="radio"/>	Waterfall models
<input checked="" type="radio"/>	Iterative models
<input type="radio"/>	Incremental models
<input type="radio"/>	Linear Sequential Models

The screenshot shows a web browser window with the URL 'vulms.vu.edu.pk/Quiz/QuizQuestion.aspx'. The question is 'Prototypes are used in _____'. Below the question is a list of four options: 'Waterfall models', 'Iterative models', 'Incremental models', and 'Linear Sequential Models'. The 'Iterative models' option is selected with a radio button. The browser's taskbar at the bottom shows various open applications like File Explorer, Quiz - Ope..., Bandicam, and WhatsApp. The system tray shows the date and time as Wednesday, 12/6/2023, 2:43 PM.
